

Voucher list

You will find this menu item under **Sales/Print.../Voucher list** and under **Sales/contribution types / Articles/Print.../Voucher list** and under **Articles/Print.../Voucher list**. Here you can quickly and easily get an overview of the vouchers you have sold. The default setting gives you a complete list.

The screenshot shows a window titled 'Gutschein-Liste' with a green header bar. Below the header, the text 'Gutscheine Liste drucken:' is displayed. To the right of this text are three buttons: 'Drucken F8' (with a printer icon), 'Bearbeiten F9' (with a pencil icon), and 'Ende' (with a right arrow icon). On the left side, there are three checkboxes, each with a red circle containing a number next to it: 1. 'Offene Gutscheine' (checked), 2. 'Eingelöste Gutscheine' (checked), and 3. 'Stornierte Gutscheine' (checked). Below these checkboxes are several input fields and dropdown menus: 'Nummer von:' with a value of '1' and 'bis' with a value of '99999'; 'Verkauft von:' with a date of '11.03.2020' and 'bis' with a date of '11.03.2020'; 'Eingelöst von:' with a date of '11.03.2020'; 'Text:'; 'Warengruppe:'; 'Artikel:'; 'Für: Person:'; 'Text:'; 'Eingelöst von:'; and 'Reihenfolge:' with a dropdown menu set to 'Nummer'. Red circles with numbers 1, 2, and 3 are placed over the 'Eingelöste Gutscheine' checkbox, the date fields, and the 'Reihenfolge' dropdown menu respectively.

Settings can be made here as required:

1. Select which type of vouchers you would like to see on the list.
2. Define more precisely by voucher number, sale date, redemption date and/or text component in the voucher.
3. Make the setting for the **order**, sorted by „Number“, „Sale date“, „Redemption date“ or „Customer“.

The data is displayed on the printout as described below:

1. Voucher number
2. This is the text that was entered during the sale - if nothing was entered, PC CADDIE automatically prints the item description.
3. Here you can see who the voucher is intended for, if this was entered during the sale, otherwise this column remains empty.  This is not a mandatory field and does not indicate the purchaser of the voucher.
4. Voucher value
5. Issue date
6. This is the last redemption date of the voucher or whether it was cancelled.
7. Value redeemed so far
8. Value still open
9. At the end of the list is the total balance of all vouchers that have not yet been redeemed.
