

# PC CADDIE://online Course & Event Management

## Local administration

Here you will find instructions for local administration for the [Course and Event Management](#).

## Online view for booking

The view can be organised in different ways. Please consider in advance how you would like to present your course programme.

## Calendar of events

- The prospective course participant sees the programme in a large overview.
- They can use categories to filter the courses they are interested in.
- By selecting a month, you can quickly and easily see which event is in which month.
- The game is visualised via the image.
