ID ordering

Receipt on cancellation

There are additional receipts for cancellations of ID cards starting with 2018. As usual, cancellations of ID cards are done in the Intranet Information System (IIS). You will then see the cancellation receipts as well as order receipts directly in PC CADDIE, after you have made the intranet sync.

Regionality check

The regionality check is made automatically for each member, as soon as you edit the addresses. Therefore, the regionality check is not necessary for all members when ordering the ID, in particular

also the re-orders are thereby again simple and fast.
