

Software

Operating systems

PC CADDIE is compatible with the following Windows Client versions:

- Windows 8 and 8.1 (32 or 64 Bit, Professional or higher versions are recommended)
- Windows 10 (32 or 64 Bit, Professional or higher versions are recommended)

PC CADDIE is compatible with the following Windows Server versions:

- Windows Server 2012 (32 or 64 Bit)
- Windows Server 2012 R2 (32 or 64 Bit)
- Windows Server 2016
- Windows Server 2019

Terminal Server Environments

The installation of [Advantage Database Servers](#) from Sybase® is mandatory for Terminal Server Environments (for example, Citrix). The installation of the ADS requires system administrator rights and should be performed by your network technician.

User

The installation of [Advantage Database Servers](#) from Sybase® is necessary if there are more than five PC CADDIE applications (including all user + online applications (Card server, [PC CADDIE://online Tee time Service](#))).

Office packages

- Microsoft Office
- Microsoft Outlook
- OpenOffice
- Thunderbird

The PC CADDIE demo-version is available here: <https://www.pccaddie.de/index.php?id=452>
