Installer les services PC CADDIE

Réinstaller les services

Dans le site Service Manager cliquer sur le bouton "Nouveau" \rightarrow "Nouveau service via LNK".

- 1. Sélectionner le service souhaité dans la sélection de gauche.
- 2. Cliquer sur le bouton "Ajouter au gestionnaire de services".
- 3. Sélectionner le gestionnaire de services existant et confirmer avec OK

- 1. Coller dans le dossier \SERVICES\"Nouveau nom de serveur,,\.
- 2. Supprimer le dossier \SERVICES\"Ancien nom du serveur,.

Ensuite, chaque service doit être démarré une fois en local et les nouveaux chemins doivent être saisis.
